# Our Product

## Guava

G2 Grow Green is a supplier of high-quality fresh guava harvested directly from the best gardens in Indonesia. We ensure that every guava we send has a natural sweet taste, soft texture, and distinctive aroma. Suitable for local market needs, juice SMEs, to international exports. With a strict selection process, we only provide fresh and pesticide-free fruit.

We cater for bulk purchases and offer fast and safe shipping solutions to all regions. So, whether you are a business owner, fruit distributor, or retailer? G2 Grow Green is your ideal partner for quality guava products.
